How to enhance decision making and reduce accidents?

Camptocamp.org, the mountaineering social network
and the Petzl Foundation invite you to a conference,
followed by a lunch buffet.

Camptocamp.org, a mountaineering social network for enhanced decision making and reducing accidents

PROGRAM :

- Accident prevention: a commitment of the Petzl Foundation.

Olivier Moret, Director of the Petzl Foundation

- How can information technologies change recreational activity in the outdoors?

Claude Philipona, CEO of Camptocamp SA

- How can a mountaineering social network enhance decision making and reduce accidents?

Dani Bach, President of camptocamp association

- Incidents and near misses in mountain sports; the first lessons and suggestions for prevention.

Bastien Soulé, Sociologist, Laboratory of Vulnerability and Innovation in Sport (Lyon 1 university)

You are invited to stay and discuss with the presenters at our lunch buffet.
